

Lied To

MU330

I've been lied to...

I've been lied to,
I've been lied to.
You've rearranged, the facts have changed,
I think I've been lied to.

How long have all the people
That I call friends know
I bought it all for so long.
How long have all the people
That I call friends know
I bought it all for so long.

I've been lied to,
I've been lied to.
You've rearranged, the facts have changed,
I think I've been lied to.

Lies, lies, lies. Lies, lies, lies.
Lies, lies, lies. Lies, lies!

I've been lied to,
Oh, I've been lied to.
You've rearranged, the facts have changed,
I think I've been lied to.
