

This time its serious its serious 'cause I know  
That I can trust you know I won't make a mess  
This time it's so serious I'm serious  
So serious I know I got to be serious  
She's so serious I know that she's so serious  
Next time it's serious its gotta be serious

Of making a mess, Next time it's so so serious  
Whoa Oh Whoa Oh-e-oh Whoa-oh oh-e-oh  
Well I know this times its serious
