

## Three Days Til Christmas

MU330

Just three more days til Christmas and there's  
Just one thing on my wish list I don't care  
If the snow doesn't fall or if there's no holly  
To deck the halls but if you were wrapped in  
Ribbons of red and if you forgot what I had said  
And if you were wearing Santa's hat and grabbed  
My hand and took me back well the snow would fall  
And we'd deck the halls and the candy canes they  
Would fall like rain and you'd dance under the tree  
With me just two more days til Christmas and I still  
Haven't seen a package on that stands about five foot  
Tall with little airholes in the sides I would throw  
The wrapping to the sides and you'd be standing there  
All smiles just one more day til Christmas and I still  
Feel so powerless, downtown you can hear the bells  
And if I had reindeer and I had elves I would fly  
To your rooftop and bring you presents and we'd  
Make up and then you would see my Christmas dreams  
All come true in front of me
