

Beating Around The Bush

Mud

Don't beat around the bush c'mon and tell me what you
Want from me,
I ain't a man to push but our love's gone yes siree,
Crazy thing's that you do, make me sad, make me blue,
You've been two timin' honey, tryin' to make a fool out
Of me yeah

You've been, beatin' round the bush,
And I ain't a man to push no
But you've done wrong by me, don't you know youve been,
Beatin' round the bush
And I ain't a man to push no,
But you've done wrong by me, yeah, beating round the
Bush

Oh, buddy can't you see you took my cutie chickadee,
Guess I always knew she'd put a dark cloud over me,
So it's you it ain't me, take a look and you'll see
She's a two timin' woman, she gone and made a fool out
Of me yeah

She been, beatin' round the bush,
And I ain't a man to push no
But you've done wrong by me, don't you know you've
Been,
Beatin' round the bush
And I ain't a man to push no,
But you've done wrong by me, yeah, beating round the
Bush
Beat it beat it, beat it

You've been, beatin' round the bush,
And I ain't a man to push you
But you've done wrong by me, don't you know you've
Been,
Beatin' round the bush
And I ain't a man to push no,
But you've done it all wrong by me you've been
Beatin' round the bush
