

I'm so young and your so old
This my darling I've been told
I don't care just what they say
'Cos forever I will pray
You and I will be as free as the birds up in the tree

Ooh please stay by me Diana

Thrills I get when you hold me close
Oh my darling you're the most
I love you but do you love me
Oh Diana can't you see
I love you with all my heart
And I hope we'll never part

Ooh please stay by me Diana

Oh my darling
Oh my lover
Tell me that there is no other
I love you with all my heart

Only you can take my heart
Only you can tear it apart
When you hold me in your loving arms
I can feel you giving all your charms
Hold me darling, hold me tight
Squeeze me darling with all your might

Ooh please stay by me Diana

Oh my darling
Oh my lover
Tell me that there is no other
I love you with all my heart.

Only you can take my heart
Only you can tear it apart
When you hold me in your loving arms
I can feel you giving all your charms
Hold me darling, hold me tight
Squeeze me darling with all your might

Ooh please stay by me Diana
Ooh please, Diana.
Ooh please, Diana.
Ooh please, Diana.
