Lonely This Christmas

Try to imagine A house that's not a home Try to imagine A Christmas all alone That's where I'll be Since you left me My tears could melt the snow What can I do without you? I got no place, no place to go

It'll be lonely this Christmas Without you to hold It'll be lonely this Christmas Lonely and cold It'll be cold, so cold Without you to hold This Christmas

Each time I remember The day you went away and how I would listen to the things you had to say I just break down as I look around and the only things I see are loneliness and emptyness and an unlit Christmas tree

It'll be lonely this Christmas Without you to hold It'll be lonely this Christmas Lonely and cold It'll be cold, so cold Without you to hold This Christmas

Do You remember last year When You and I were together We never thought there'd be an end and I remeber looking at you then and I remember thinking That Chrismas must have been made for us Cause Darling this is the time of year That you really, you really need love When it means so very, very much

So it'll be so lonely this Christmas Without you to hold It'll be so very lonely Lonely and cold

It'll be lonely this Christmas Without you to hold It'll be lonely this Christmas Lonely and cold It'll be cold, so cold Without you to hold It'll be cold, so cold Without you to hold This Christmas

Merry Chrismas, Darling Wherever you are
