

Secrets that you keep

Mud

Ooh ooh, ooh ooh, ooh ooh, ooh ooh
The secrets that you keep
I've only got myself to blame
I played a losing game
I lie awake and call your name
All I own is just a picture in a broken frame
It seemed so hard for me to share
It's even harder now that you're not there
(Now baby)
I'm losing sleep over the secrets that you keep
(Oh baby)
I'm losing sleep over the secrets that you keep
I lie awake at night not knowing where you are
You know it don't seem right
That you could be so far away from me
Oh oh, the secrets that you keep
Since you've been gone our worlds have grown apart
Now I don't know what's in your head or in your heart
Those little things you kept so secretly
They don't mean much to you but they mean so much to me
