

Blues Before Sunrise

Muddy Waters

I have the blues before sunrise, tears standing in my
eyes

I have the blues before sunrise, tears standing in my
eyes

It was a miserable feeling, now babe,
A feeling I do despise

I have to leave, leave you baby, because you know you
done me wrong

I have to leave you baby, because you know you done me
wrong

I'm gonna pack up and leave you darling
And break up my happy home

I'm gonna leave you baby, I'm gonna leave you all alone

I'm gonna leave you baby, I'm gonna leave you all alone

I'm gonna pack up and leave you darling,
Because you know you done me wrong

Well now goodbye, goodbye baby, I'll see you on some
rainy day

Well now goodbye baby, I'll see you on some rainy day

You can go ahead now little darling,
'Cause I want you to have your way
