

Champagne & Reefer

Muddy Waters

Bring me champagne when im thirsty
Bring me reefer when i want to get high

Bring me champagne when im thirsty
Bring me reefer when i want to get high

Dont you know when im lonely
Bring my woman,
Set her right down on my side

You know it shouldnt be no law
If people just wanna smoke a little dope
You know it shouldnt be no law,
People just wanna smoke a little dope

Cause its good for your head
And it relax the body, dont you know

Man im wanna get so high
Well so high i gotta rest my head
In my baby's breasts

Said i gotta get so high (so high)
So high gotta rest my head on my baby...

????... my girl, said see her.....???
????

Gotta get so high (get so high)
Sho'nuff its my very own right

Gotta get so high (get so high)
Heyyyy sho'nuff its my very own way

I wanna stick to my reefer
Ain't gonna mess around with no cocaine.
