## **Cold Up North**

## **Muddy Waters**

It's so cold up north, that a bird can hardly fly Well it's so cold up north, that a bird can hardly fly Now you know I'm goin' back down south, let this winter pass on by

Well I know my baby, don't know what a shape I'm in Yeah I know my baby, she don't know what a shape I'm in Now you know I ain't had me no lovin', people you know I ain't got no friend

Hmmm mmmm Hmmm mmmm Now you know I ain't had me no lovin', people you know ain't got no friend

Well I believe I go, further down the road Yeah I believe I go, further down the road Now you know I done stayed over here in Switzerland, people you know I done almost froze

Well if I could hold, hold my heart in my hand Yeah if I could hold, hold my heart in my hand You know I would show you pretty girls, just how to treat your man
