You need meat, go to the market You need bread, try the bakery If you need love, baby Don't go no further Just come on home with me

I got to love somebody
I got to love somebody
I got to love somebody
I want somebody, to love me

You need grits, go to the grocery You need fish, go to the sea You need love, baby Don't look no further Just come on home with me

I got to love somebody
I got to love somebody
I got to love somebody
I want somebody, to love me

You need money, go to the bank dear You need honey, look for the bees You need love, baby Don't go no further Just come on home with me

I got to love somebody
I got to love somebody
I got to love somebody
I want somebody, to love me

I got to love somebody
I want somebody, to love me
