

Goodbye Newport Blues

Muddy Waters

Oh whata' gloomy day in Newport 'verything is sad, sad, sad
Yes what a gloomy day in Newport everything is sad, sad.
You know it's a gloomy day in Newport
One awhile a time to have a hand
What gonna happened to my music
What gonna happened to the song Bis
Yes it was hard hard world to live in
And been in here all alone
To darling mountains my be it here in all be blues

Yeah yes my be it here in all be blues
But you never see me darling
So you just been upon it's ladies news
I've gotta keep in singin' the blues
Yes I've gotta keep singin' my song Bis
Lord sad bad sad bad sad bad
Sad bad goodbye Newport goodbye whoa goodbye goodbye
