

Look What You've Done

Muddy Waters

Now, look what you've done
Now, look what you've done
Now, look what you've done
Now, look what you've done

You left me here, the lonely one
And all I could say, is look what you've done

A broken heart, a weary mind
And ... few dollars, baby, all the time

I once had a dream, but now I have none
You've taken your love and see what it done

The night bird cries, the shadow falls
Blue memories, and I recall

Your love is my life as warm as the sun
And nine years gone but see what you've done

Saw you last night, I was movin' around
With your new toys, paint the town
But it is ok, keep having your fun
Because someday, you'll pay for all you've done
