

Louisiana Blues

Muddy Waters

I'm goin' down in Louisiana
Be, be, behind the sun
I'm goin' down in Louisiana
Honey, behind the sun
Well, you know I just found out

My troubles just begun
I'm goin' down in New Orleans, hmm
Get me a mojo hand
I'm goin' down in New Orleans
Get me a mojo hand

oh take me with you, man, when you goin'

I'm 'on show all you good lookin' women
Yes, how to treat your love

let's go back to New Orleans
