Oh you know it has been such a hard hard journey, I don't have to cry no more

Keep your light up burnin', so I can know the score
I got one more mile, oh you know I only got one more mile to go
Oh you know my journey was so hard,
But I don't have to worry 'bout you no more

Oh you know they tell me that thousands of school kids, every o ne have a mate

The little girl that I love, she the richest in the state I got one more mile, oh you know I only got one more mile to go Oh you know my journey has been so hard, But I don't have to worry 'bout you no more

Oh you know I made a mistake for gamblin', I betted my money wr ong

I was bettin' on my baby, but she weren't even at home I got one more mile, oh you know I got one more mile to go Oh you know it has been such a long journey, But I don't have to cry 'bout you no more
