

## Streamline Woman

Muddy Waters

Well I've been workin' on the high line  
Baby, all day and night  
Yes, I've been workin' on the high line  
Baby, all day and night  
I got a streamline woman  
She make my electro kick off right

Well now, if you want to be my little girl  
You said you really wanna be in the mood  
You'd mind me to so proper, when you're blue

Child I've been workin' on the high line  
Baby, all day and night  
I got a streamline woman  
She make my electro kick off right  
What kind of woman is that called?  
All right, man

Well now, you know I want you to pull down your windows, baby  
Pull down your window blinds, so your next door neighbor, little girl  
Won't hear that old troubadour whine

Child I've been workin' on the high line  
Baby, all day and night  
You know you're my streamline woman  
You make my electro kick off right
