

# They Call Me Muddy Waters

**Muddy Waters**

They call me Muddy Water, I'm just as restless man as the deep  
blue sea

Oh yeah, they call me Muddy Water, I'm just as restless man as  
the deep blue sea

You know I've been like that, ever since my baby been gone from  
me

The night she left me, you know the rain boy was pouring down

Oh yeah, the night the little girl left me, you know the rain w  
as pouring down

You know I was the most bluest man, in this whole Chicago town

I got a brand new babe, she just as sweet man as a girl can be

Oh Lord I got a brand new girl, she just as sweet man as a appl  
e on a tree

I wanna tell all you people, how the little child been sending  
me
