

# Over the Top

Mudhoney

Shoot, shoot, shoot, hey

Don't be unkind  
I'm out of my mind  
And I'm telling you  
It's not that I'm bad  
I'm totally mad  
I'm a loser, too

I'm certain  
I must be a burden  
Completely  
Over the top, over the top

Don't know what it means  
All I hear is screams  
And I don't know whose  
The nightmare's for real  
I got a raw deal  
It's all bad news

I swear it  
I can't bear it  
Completely  
Over the top, over the top

You know it's no lie  
My main alibi  
It's a waste of time  
You know it's the truth  
the lyrics' the proof  
But at least it rhymes

You can't harm me  
'Cause I'm barmy  
Completely  
Over the top, over the top
