

# The Money Will Roll Right In

Mudhoney

I'm going to hollywood  
They'll see that I'm so good  
I won't care how I feel  
And I'll get to fuck brooke shields

I'll just sit and grin  
The money will roll right in

I would give you some  
If you only would have treated my nice  
You'll wish that you did  
You'll feel pretty stupid

I'll just sit and grin  
The money will roll right in

I'll just sit and grin  
The money will roll right in

It's fun to be a star  
It's nice to have a car  
Yeah, you'll have to admit  
That I'll be rich as shit

I'll just sit and grin  
The money will roll right in

The money will roll right in
