

You Got It

Mudhoney

Well
They say you got it
I'll say you got it
That's right, you got it
You got it good

You got it
Oh hell, you got it
You can have it
You got it

You give it away like free samples
But I don't want what anyone can have
You got it
Damn right, you got it
So what?

Keep it outta my face
Keep it outta my face
Keep it outta my face
Keep it outta my face
Yeah

Just 'cause you got it
You think everyone wants you
Just 'cause you got it
You think you're so damn neat
You got it
That's right, you got it
Fuck you

Keep it outta my face
Keep it outta my face
Keep it outta my face
Keep it outta my face

Ow
Yeah
Oh
