Come on youweretheone youweretheone,
To dredge up shit inside of me in my pointless life of nothing
Tell me what I'm supposed to be
Tell me what it takes to ascend
Tell me what it takes to live

Patience, pleasures and rewards, come in due time stare at the sun I'm bored in a life meaningless soaking up all of me like the cross you worship life is loss look at me I'm sure that some day we'll wake up I'm sure that some day we'll wake from the dream Of success and focus...tunneling to the light glowing deep inside of me your taunting I wake up

Come on youweretheone youweretheone,
To dredge up shit inside of me in my pointless life of nothing
Tell me what I'm supposed to be
Tell me who I'm supposed to be
Tell me what it takes to ascend
Tell me what it takes to live
Tell me nOW!

Don't feel sorry don't feel sorry for me
