

## Dull Boy

Mudvayne

All work and no play makes me a dull boy..  
All work and no play makes me a dull boy..  
All work and no play makes me a dull boy..  
All work and no play makes me a dull boy!!

Live in a secret  
Live in a lie  
Live in a dark hole beneath the black sky  
Live like a martyr and draw my last breath  
Feel like an old man with a knife in my chest

Live like a Transian  
Live like a thief  
Hide in your closet, grinding my teeth  
Sit in a small room with the walls closing in  
Open the shutters but everythings still dim

Payback  
For all the things  
I've done in my past

Payback  
For everything  
There are no take backs

I'm not the reason  
Its not my fault  
Its not my problem  
I'm not the cause

I'm not your scapegoat  
I'm not your god  
I'm not your martyr  
I'd leave you all

I'm not the reason - (I'm not your scapegoat)  
It's not my fault - (I'm not your god)  
It's not my problem - (I'm not your martyr)  
I'm not the cause - (I'd leave you all)

All work and no play makes me a dull boy

Feel like a clown without my funny nose  
Walk to the window break it out with my fist  
Jump from the sill and I'll plunge to my death  
You can be selfish whatever you think  
Throw back my pills and take a sip of my drink

Walk under the clouds  
Walk under the trees  
Always again envy covering me

Payback  
For all the things  
I've done in my past

I'm not the reason

Its not my fault  
Its not my problem  
I'm not the cause

Sunshines gone  
It's all gone

By the way just so you know  
Always this is how I feel

By the way just so you know  
Always everyday this is how I feel

I'm not the reason  
It's not my fault  
It's not my problem  
I'm not the cause  
I'm not your scape goat (I'm not your scape goat)  
I'm not your god (I'm not your god)  
I'm not your martyr (I'm not your martyr)

This is how I feel (this is how I feel)

By the way just so you know  
Always everyday this is how I feel
