

Never Enough

Mudvayne

My legs are weary but I still walk
My hands are sown and broken but I still clutch
My heart is jaded but I still love
My cup is empty but I still pour

All I ever want to be, all I ever needed to be
was whatever you wanted me to
But you took that from me, yeah

I was never enough for you
I should have known, I should've known
I was never enough for you
Dont waste my time, dont waste my

I lost the feeling but I still touch
I stopped believing but I still trust
All I ever want to be, all I ever needed be
was whatever you wanted me to
But you took that from me, yeah

I was never enough for you
I should have known, I should've known
I was never enough for you
Dont waste my time

All these questions asking why
I'll just close my eyes
(my eyes)
All these people asking why
I'll just waive goodbye
(goodbye)
Time pushin' forward, Im sick and tired
Need a little shelter
Drag the glass across my eyes
Cut me open, cut me wide
Bleed me for the winner
Just tear it away

I was never enough for you
I should have known, I should've known
I was never enough for you
Dont waste my time
I was never enough for you
Just wastin' time, dont waste mine
