Never Enough

Mudvayne

My legs are weary but I still walk My hands are sown and broken but I still clutch My heart is jaded but I still love My cup is empty but I still pour

All I ever want to be, all I ever needed to be was whatever you wanted me to But you took that from me,yeah

I was never enough for you I should have known, I should've known I was never enough for you Dont waste my time, dont waste my

I lost the feeling but I still touch I stopped believing but I still trust All I ever want to be, all I ever needed be was whatever you wanted me to But you took that from me, yeah

I was never enough for you I should have known, I should've known I was never enough for you Dont waste my time

All these questions asking why I'll just close my eyes (my eyes) All these people asking why I'll just waive goodbye (goodbye) Time pushin' forward, Im sick and tired Need a little shelter Drag the glass across my eyes Cut me open, cut me wide Bleed me for the winner Just tear it away

I was never enough for you I should have known, I should've known I was never enough for you Dont waste my time I was never enough for you Just wastin' time, dont waste mine
