

## Solve et Coagula

Mudvayne

Fire, fire  
I dissolve and solidify,  
Destroy to recreate,  
Disassemble to assemble something pure,  
Our rubic sol-ve-et-co-ag-u-la  
Kill to be born again, cycled a thousand times

Fire, planetary alchemy,  
Fire, the time is here now  
Fire, four corners to rise  
Fire rise!  
Fire, there's always loss within,  
Fire, the cleansing it's time  
Fire, shooting arrows to the sky  
Fire

I construct a new institution  
Not out of bricks, iron, cement, concrete  
Or steel  
Our rubic sol-ve-et-co-ag-u-la  
Distill to purify,  
We've done it a thousand times

Fire, planetary alchemy,  
Fire, the time is here now  
Fire, four corners to rise  
Fire rise!  
Fire, there's always loss within,  
Fire, the cleansing it's time  
Fire, shooting arrows to the sky  
Fire

Burn, bleed all the lives of life, ascend to  
The sky  
Burn, all the martyrs

Fire, planetary alchemy,  
Fire, the time is here now  
Fire, four corners to rise  
Fire rise!  
Fire, there's always loss within,  
Fire, the cleansing it's time  
Fire, shooting arrows to the sky  
Fire
