Mugison

I love the way she is looking at me
like I was a fruit hanging in her tree
the way she moves her hips
the way she wets her lips
I love the way that girl is looking at me

I love the way she is looking at me
those sea green eyes are drowning me
her smile is more like a dare
never seen that electric stare
Love the way that woman is looking at me

You can't stop, can't even try
get around that beat; I can see it in your eye
the way you're tapping your feet
looking oh so sweet
say you never dance - you never move
I've seen the way you're tapping to my groove
girl you're teasing so
feel like I'm about to explode
don't make a fool out of me ...
