

## If I Were a Fish

múm

If I were a fish and you were a seashell  
Would you marry me anyway?  
Would you have my babies?

If I were a fish  
If I were a fish  
(Lalala : lalala : lalala : lalala)

If I were a bumblebee and you were a puddle  
Would I drown in you anyway?  
In your soggy eyeballs?

If I were a fish  
If I were a fish  
(Lalala : lalala : lalala : lalala)

If I were a fish  
And you were a puddle  
If I were a fish
