

## Show Me

múm

Show me, the way you wash up little things  
Show me, the way you do

(We're gonna die like little flies)  
(We're gonna die a little)

Show me, the way you wash up everything  
Show me, your every way

Show me, the way you crush up a little frog  
And lock it into the sand

(We're gonna die like little flies)  
(We're gonna die like little)

The world filled my eyes with hope believing in a lie  
I'm waiting here blue, waiting here for you

To show me, show me : Show me, show me

Show me, the way you hypnotize the rain  
Show me, the here and now

Show me, the way you drag about the dust  
Show me, the way you do

(We're gonna die like little flies)  
(We're gonna die a little)

The world filled my eyes with hope and lured my sons to wander  
Their eyes are blue but sultry, our hearts are filled with ragw  
eeds

A mare gave her eyes to mourn leaving in a whoop splash  
I'm waiting here for you, I'm waiting here for you

To show me, show me  
Show me, show me
