

Slow Down

múm

Slow down, so I can catch you
Slow down, so I can catch you
Slow down, so I can catch you
Slow down, so I can catch you

I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you

Slow down, so I can catch you
Slow down, so I can catch you
Slow down, so I can catch you
Slow down, slow down

Slow down 'cause I can't catch you
Slow down 'cause I can't catch you
Slow down 'cause I can't catch you
Slow down, slow down

I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you
