

Underwater Snow

múm

Forget me now, forget me now
I am just a tree on fire
Remember me, remember me
I'll unplug a beast of fire

And I'll flicker
And glow like underwater snow
If you only forget me now
Forget me now

I am just a moon on fire
And I'll flicker
And glow like underwater snow

If you only forget me now
Forget me now
Forget me now
Forget me now
I'm always on the run and I hate copy paste for god's sake
This is that and I must know
But it comes together somehow
If you only forget me now
If you only forget the warm kind

We will rise in the sea
I was you and you were me
And I hope you remember that
And don't forget the bad times

We were sparks in the blood
I was ? and you were gun
And I hope you will remember me
