

# Lover of the Light

Mumford & Sons

And in the middle of night I may watch you go,  
There'll be know value in strength of walls that I'll have known  
There'll be no comfort in the shade of the shadows so,  
But I'll be yours if you be mine

Stretch out my life and pick the seams out  
Take what you like, but close my ears and eyes  
Watch me tumble over and over

I have done wrong, so build your tower  
But call me home and I will build a throne  
And wash my eyes out never again

But love the one you hold  
And I'll be your goal  
To have and to hold  
A lover of the light

Skin too tight and eyes like marbles  
You spin me high so watch me as I glide  
Before I tumble homeward, homeward

Although I tried I was not stable  
He flawed my pride I missed my sangin eyes  
So hold my hands up breath in, breath out

But love the one you hold  
And I'll be your goal  
To have and to hold  
A lover of the light

And in the middle of night I may watch you go,  
There'll be know value in strength of walls that I'll have known  
There'll be no comfort in the shade of the shadows so,  
You may not trust the promises of the change I show,  
But I'll be yours if you be mine

But love the one you hold  
And I'll be your goal  
To have and to hold  
A lover of the light
