Mumford & Sons

I came home
Like a stone
And I fell heavy into your arms
These days of dust
which we've known
will blow away with this new sun

And I'll kneel down, wait for now
And I'll kneel down, wait for now

So break my step
And relent
Well you forgave
And I won't forget

Know what we've seen
And him with less
Know in some way
Shake the excess

And I'll kneel down, wait for now
And I'll kneel down, know my ground

Now I'll be bold, as well as strong
And use my head alongside my heart
So take my flesh
And fix my eyes
And tear the night free from the lies

And I'll kneel down, wait for now
And I'll kneel down, know my ground
I'll kneel down, wait for now

Raise my hands
Paint my spirit gold
Bow my head
Keep my heart slow

Raise my hands
Paint my spirit gold
Bow my head
Keep my heart slow
