

# Now Or Never

Mumm-Ra

If I failed to deliver  
If the world left you bitter  
If waitin' and prayin' hasn't led to you payin'  
Of course I will care  
If the world stripped you bare  
But your killing your liver with toxins  
That help you to  
See this whole mess  
Receive this hopeless  
Transmission

Are u trying to say that'd you'd rather decay than  
Believe

Are you willing to cry  
At the scene of the crime  
Are u able to turn on the tears in the blink of an eye

If your ready  
Tonight if your steady  
Well help you to see in ways that will help you to find  
This whole mess  
Receive this hopeless transmission

Are u trying to say that you'd rather decay than believe

And if walking back home  
Is the way to my heart

You've taken it over and torn it apart  
I've got nothing to lose and a whole lot to gain  
I've got infinite reasons and nothing to say

'Cause its now or now  
It's now or never  
It's now or never

Are u willing to dance  
For the sake of romance  
I'm a terrible dancer but hey let them look  
Let them laugh  
I'm not listening  
For you I'm persisting  
But my energies sinking as u slump to your chair  
So ill throw this whole mess away

And if walking back home  
Is the way to my heart  
You've taken it over and torn it apart  
I've got nothing to lose and a whole lot to gain  
I've got infinite reasons and nothing to say

'Cause its now or now  
It's now or never  
It's now or never
