

Out Of The Question

Mumm-Ra

Lights, out of the darkness
What did you see?
What did you see?
And I, I don't see the likeness
I'm trying to see
I'm trying to see

If you believe me look in my eyes
As you delight me don't' breathe a sigh

I'm caught in the reason
I'm caught in the reason
You wanted a reason
You wanted a reason
For all the things I said
Its out of the question
Its out of the question
Right out of the question
Right out of the question
I'd rather stop being dead

This is the only thing I know
The writings on the wall
Its what we're standing for
So I
I'm getting to notice
I try to explain
I try to explain

If you believe me look in my eyes
As you delight me don't' breathe a sigh

I'm caught in the reason
I'm caught in the reason
You wanted a reason
You wanted a reason
For all the things I said
Its out of the question
Its out of the question
Right out of the question
Right out of the question
I'd rather stop being

Lights
Out of the darkness
What did you see?
What did you see?
And I
I don't see the likeness
I'm trying to see
I'm trying to see

I'm caught in the reason
I'm caught in the reason
You wanted a reason
You wanted a reason
For all the things I said

Its out of the question
Its out of the question
Right out of the question
Right out of the question
I'd rather stop being dead

This is the only thing I know
The writings on the wall
Its what we're standing for
