

"Kiss me quick" is what she said
"before they they come back in"
I tell you this and it is true
I've never tasted skin
So soft and smooth and brown and soft
A tremor of the heart
If anyone should find this out
I could lose my part

This can't be healthy
And this isn't on, oh! no
Oh! but it is amazing
Could it be because it is wrong?

Hold my waist and taste my taste
And bite the whole way through
I could sign my life away
For this to continue
What to do a double edge
Every way I lose
Find a chair, a hook, a rope
And tie me up a noose

And this can't be healthy
And it's nearly dawn, oh! no
Oh! but it is amazing
Could it be because it is wrong
