

You're The One

Mundy

You're the one that i wake up with
you're the one i won't break up with
you're the one that i tend to stray from
the one i get my night and day from
You're the one...

You're the one i've got my eye on
you're the one i get my high on
you're the one that i'm spoken for
the same one that i'm chokin' for
You're the one...

I'm sorry for the things that i haven't said,
for the thoughts i leave in your head
and should our light ever turn to red,
i'll be sorry for the things that i haven't said
'Cause you're the one that i rest with
you're the one that i'm blessed with
