

# Baby Jump

Mungo Jerry

She wears those micromini dresses  
Hair hanging down her back

She wears those seethrough sweaters  
She likes to wear her stocking black  
And if I see her tonight

You can bet your life I'll attack.  
She got beautiful teeth  
A toothpaste adman's dream.  
She got a beautiful form  
The best I've ever seen.  
I' gonna get her tonight

I don't care where she been.  
Well  
I said baby  
Baby

Baby what you doin' to me.  
I said baby  
Baby

Baby what you doin' to me.  
I said baby  
Baby

Baby jump into my dream.  
I dream that she was Lady Chatterley'n  
I was the game keeper.  
I dream that I was Da Vinci and  
She was the Mona Lisa.  
I dream that I was Humbert and  
She was Lolita.

I said baby  
Baby

Baby what you doin' to me.  
I said baby  
Baby  
Baby what you doin to me.  
I said baby  
Baby  
Baby jump into my dream.
