

## Baby Let's Play House

Mungo Jerry

Well You may go to college, You may got to school  
You may have a pink Cadillac, but don't you be nobody's fool

Well baby come back baby come back baby come back  
Come back baby I want to play house with you

Well there is one thing baby, that I want you to know  
Come on back to me little girl, so we can act like we did before

Well listen to me baby, what I'm talking about  
Come on back to me little girl, so we can play some house
