If your baby puts you down, every time you joy ride,
If she makes you feel so small, let her know that you're no foo
l,
Get down on your bike, Get down on your bike
Get down on your bike, Get down on your bike
If your baby can't sleep at night, supplement your appetite,

If she's orders if she's cries, don't forget that you're the gu

Y

Get down on your bike, Get down on your bike

Get down on your bike, Get down on your bike

Show that girl that you can ride, let her know you'll never sto p,

Move so fast, ride so hard, take that woman by the hand, Get down on your bike, Get down on your bike, Get down on your bike,

Repeat first verse

Get down on your baby

Get down on your bike, Get down on your baby, Get down on your baby, Get down on your bike, Get down, get down, get down On your baby, your baby, your baby
