

## On A Sunday

Mungo Jerry

On a Monday, on a Tuesday  
On a Wednesday, on a Thursday  
Friday, we just sit and dream  
On a Saturday, you know that your time is free.

See a movie, see a car race  
See an old friend, see a new place  
It's time to make love and be free  
No working next day, lay in bed an' sleep.

No need to worry, just have a good time  
Go to a party, have plenty of wine  
A new love is there, it's got to be found  
Just get it together, you know there's plenty around.

On a Sunday, when you wake up  
Read the papers, then you get up  
And go for a drink down the road  
Talk about things and ask all your friends back home.

Watch football on the T.V.  
Hear some new sounds on the settee  
Cuddle up close to your girl  
Soon be Monday and time to be back at work.
