

See Me

Mungo Jerry

You don't see me, see me hangin' 'round your door
You don't see me cryin' out for more
If you see me, you know what I'm lookin' for.

You don't want me, you don't want me, you don't want me 'round
your house
I'm gonna be there, baby you better watch out
'Cause if you see me, you gonna gonna jump and shout.

Alright, it's alright, it's alright with me
Yeah, I wanna get you, baby, wait and see
I gonna get you, come come a-
look at me, alright alright, ooh yeah.

Alright alright, yeah, ooh, yeah...

You gonna see me, see me hangin' 'round your door
You gonna see me, please don't call the law
If you see me, you know what I'm lookin' for, I'm gonna get it,
ooh, yeah.

See me, see me, see me, see me, see me.

Well, you gonna see me, see me hangin' 'round your door
You gonna see me, you know what I'm lookin' for, yeah, ooh
You gonna see me, please don't call the law.

See me, see me hangin' 'round your door
You gonna see me, you know what I'm lookin' for
See me, please don't call the law, yeah.
