

You don't seem to understand me when I say I'm feeling blu love  
Blu love  
When you touch me in that way, I just don't know what to do, lo  
ve  
I'm so in love

I can't get you out my mind  
You send me pictures  
I ain't calling crisis  
You send the pictures

You don't seem to understand me when I say I'm feeling blu love  
Blu love  
When you touch me in that way, I just don't know what to do, lo  
ve  
I'm so in love

If your harp is [?]  
Wait for time to come  
It might take you to Rome  
It's all about religion  
It's all about constructing the chemical reliance on

You don't seem to understand me when I say I'm feeling blu love  
Blu love  
When you touch me in that way, I just don't know what to do, lo  
ve  
I'm so in love
