

Graverobbing U.S.A.

Murderdolls

Well I come from the planet beyond the stars
Looking for some human body parts
I'm gonna pull your body from your grave
'Cause I'm graverobbing U.S.A.

And I'm riding around in my black starship
Looking for some crypts to kick
I'm gonna pull your body from your grave
'Cause I'm graverobbing U.S.A.

And I'm graverobbing U.S.A.
And I'm graverobbing U.S.A.
And I'm digging up the dead today
'Cause I'm graverobbing U.S.A

Announcer:
"Necrophiliac creatures of evil
Invade the planet earth
On a macabre cosmic mission
To dig up the dead!!!"

Back in the summer of '76
I would dig up bodies to play with
And my favorite part was the brain
'Cause I'm graverobbing U.S.A.

And I wish I may, wish I might
Find me a cold dead corpse tonight
I'm gonna pull your body from your grave
'Cause I'm graverobbing U.S.A.

And I'm graverobbing U.S.A.
And I'm graverobbing U.S.A.
And I'm digging up the dead today
'Cause I'm graverobbing U.S.A

And I'm graverobbing U.S.A.
And I'm graverobbing U.S.A.
And I'm digging up the dead today
'Cause I'm graverobbing U.S.A
