

Rock N Roll is All I Got

Murderdolls

I don't need no woman yacking
I don't need no friends
sold my soul to rock n roll
let me tell you where it all began

It was a sunny day, sitting by a grave
when the Devil walked up to me
he said "for your soul
I'll give you rock n roll
and that's all you'll ever need"

I've got nothing to lose,
I've got nothing to prove
gonna make some noise before I rot
cause rock n roll is all I've got

I've said it once before,
and I'll say it once again
sex, drugs and rock n roll
have been my only friends
yeah

Rock n roll, rock n roll is all I got

I don't need no one to love me
stay the fuck away
hell's the path I walk tomorrow
won't you follow me this way

I've got drugs to take
I've got shit to break
I've got bitches when I need
I don't give a shit,
I'm a son of a bitch
dissatisfaction guaranteed

I've got nothing to lose,
I've got nothing to prove
gonna make some noise before I rot
cause rock n roll is all I've got

I've said it once before,
and I'll say it once again
sex, drugs and rock n roll
have been my only friends
yeah

We live, we breath,
we bleed, rock n roll
We live, we breath,
we bleed, rock n roll

I've said it once before,
and I'll say it once again
sex, drugs and rock n roll
have been my only friends
yeah

Rock n roll, rock n roll is all I got
