

# Never Even Thought

Murray Head

Never even thought it could happen to me  
Maybe I've been blind only others can see  
I'm in love  
What am I to do, can I let it show  
Do I keep it to myself or should I let her know  
I'm in love?  
Do I nurse it in my heart, hold it back in my eyes  
Hide it all inside or pull on a disguise  
I'm in love?

Have I gotta play games, even suffer the pain  
Let the secret out, even suffer the doubt,  
I'm in love?  
I know it's all there, I really want to share  
My life with someone else  
Will she feel the same?

Never even thought it could happen to me  
Maybe I've been blind only others can see  
I'm in love  
What am I to do, can I let it show  
Do I keep it to myself or should I let her know  
I'm in love

It isn't easy when you've been broken before  
It isn't so hard when you're ready for more  
Could you love me?  
Give me a simple clue, anything will do  
So long as I know what's in me is in you  
Could you love me?  
I've got so much of care to give away  
There's only one thing I wanna hear you say  
I love you.

Have I gotta play games, even suffer the pain  
Let the secret out, even suffer the doubt,  
I'm in love?  
I know it's all there, I really wanna share  
My life with someone else  
Will she feel the same?
