

When I'm Yours

Murray Head

Turning me on and with your eyes
Playing along and with you eyes
Coming on strong and with your eyes
You burn me
Searching to please and with your smile
Cursing with ease and with your smile
Kindle the flame and with your smile
You burn me
Have I gotta be burn all over again

I'd rather you told me that you couldn't care less
Than put me through numbers that feel like a test
I want you
But I gotta know that I'm wanted
That I don't get taken for granted
When I'm yours

I'd rather you told me that you couldn't care less
Than put me through numbers that feel like a test
I want you
I'll be yours to command and obey
I won't demand
But I gotta know that I'm wanted
That I don't get taken for granted
When I'm yours

I'll be yours to command and obey
I won't demand
I'll be yours to command and obey
I won't demand
Gotta know that I'm wanted
That I don't get taken for granted
When I'm yours
But I gotta know that I'm wanted
That I don't get taken for granted
When I'm yours
