

Break me in,
Teach us to cheat
And to lie, cover up
What shouldn't be shared?
All the truth unwinding
Scraping away
At my mind
Please stop asking me to describe him

For one moment
I wish you'd hold your stage
With no feelings at all
Open minded
I'm sure I used to be so free

Self expressed, exhausting for all
To see and to be
What you want and what you need
The truth unwinding
Scraping away
At my mind
Please stop asking me to describe

For one moment
I wish you'd hold your stage
With no feelings at all
Open minded
I'm sure I used to be so free

For one moment
I wish you'd hold your stage
With no feelings at all
Open minded
I'm sure I used to be so free

Wash me away
Clean your body of me
Erase all the memories
They will only bring us pain
And I've seen all I'll ever need
