

# Defector

Muse

Free, yeah, I'm free  
From your inciting  
You can't brainwash me  
You've got a problem

Free, yeah I'm free  
From society.  
You can't control me  
I'm a defector.

You think you're strong  
And you can't be broken  
But your empire is dissolving.

You thought, You thought  
I was weak  
But you got it wrong  
Look into my eyes,  
I'm a defector.

Free, yeah I'm free  
from your inciting  
You can't brainwash me  
You've got a problem

Free, yeah I'm free  
From society  
You can't control me,  
I'm a defector.

Your blood is blue and  
Your minds turned green and  
Your belly is all yellow.

You believe  
Your throne is too high  
To be overthrown  
We'll watch it get razed  
By a defector

Free, yeah I'm free  
From your inciting  
You can't brainwash me  
You've got a problem

Free, yeah I'm free  
From society  
You can't control me.  
I'm a defector

I'm a defector  
Free, yeah I'm free  
From your inciting  
You can't brainwash me  
You've got a problem

Free, yeah I'm free

From society  
You can't control me.  
I'm a defector

We look for strength and assistance  
Confident that with your help  
Man will be what he was born to be: free and independent.
