

# Endlessly

Muse

There's a part of me you'll never know  
The only thing I'll never show  
Hopelessly, I'll love you endlessly  
Hopelessly, I'll give you everything  
But I won't give you up  
I won't let you down  
I won't leave you falling  
If the moment ever comes

It's plain to see, it's trying to speak  
Cherished dreams forever asleep  
Hopelessly, I'll love you endlessly  
Hopelessly, I'll give you everything  
But I won't give you up  
I won't let you down  
I won't leave you falling  
If the moment ever comes

Hopelessly...
