

1. Open the skies over me
I am waiting patiently
I'll wait for the sign
 2. As conspiracies unwind
Will you slam shut or free your mind
Or stay hypnotised
- R: When the Zetas fill the skies
Will our leaders tell us why
Fully loaded satellites
Will conquer nothing but our minds
- *: But I'm waiting patiently
I'll wait for the sign
3. Carried through the centuries
Secrets locked up and loaded on my back
Well it weighs me down
- R: When the Zetas fill the skies
It's just our leaders in disguise
Fully loaded satellites
Will conquer nothing but our minds
- *: But I'm waiting patiently
I'll wait for the sign
But I'm waiting patiently
I'll wait for the sign.
